

Colorado Greening Government Council

Invites you to the first annual Greening of State Government Conference

May 22-23, 2006

Day One: General Session

Day Two: Technical Session

Attend one or both days!

How can State government improve operations, save money and benefit the taxpayers and the environment? Attend this two-day conference to learn successful strategies, hear lessons learned from state staff, and identify resources and steps for greening Colorado government.

Who should attend:

State of Colorado purchasing officials, energy managers, facilities staff, custodial managers, fleet managers, and others responsible for greening state government.

Cost: FREE – Lunch included

Register by May 15:

- Online registration:

www.colorado.gov/greeninggovernment

Location:

Colorado School of Mines
Ben Parker Student Center Ballroom
Golden, Colorado

Parking:
